

MADONNA MOORE SDS

Born: July 15, 1946

Lay Salvatorian Commitment: May 7, 1978

Died: April 30, 2002

Madonna Moore was a much loved and respected member of the Lay Salvatorians who was born on July 15, 1946 in Havre de Grace, Maryland. She was the loving wife of Eugene Moore and devoted mother to Karen and Bill. Madonna became an active member of the Lay Salvatorians in the late 70's. She served as a lay Salvatorian leader on the regional and national level and she was a representative at the International Chapter in Poland in 1999.

On a personal level, Madonna reached out to many members as a friend and follower of Christ. Clearly, her ministry was to serve others. Her nursing led her to work with the dying where Madonna was willing to spend many hours, dedicated to comforting and relieving pain. Madonna was always cheerful, ever ready to enjoy life but also prepared to face with others the prospect of eternal life.

In the past few years, Madonna and Gene had spent some of their winter months in Florida where they participated in the Southern Sector's spirituality and community. She has touched the lives of many Salvatorians and her death pronounces both the fullness and grace of her life and our joy in Madonna's final peace with our Lord.
